Subject: - Proposal for College ERP Software.

Respected Sir,

We are pleased to submit this proposal for implementation of College ERP system through our product “**Vriddhi Classic ERP**” which consist integrated software package of 10 modules to automate every department of College. Vriddhi classic ERP software generates 100+ reports within seconds to serve any kind information to management and Principal.

Product Name	Vriddhi Classic ERP.
Product Cost	RS 88,000/- Per College.
Product Maintenance	1 year AMC Free.

On purchase of Vriddhi Classic ERP software your college gets free “**Online Admission System**” to enroll students where students fill up admission form online to college website which is created and maintained by Hindustan computers. Every detail information furnished by student in online merit form and online admission form will be made available in Vriddhi software installed in your college. This online web application will work in synchronization with your existing VRIDDHI Classic ERP software only. College has to collect charges for online admission system from students and share it’s percent to Hindustan computers according to following **Table No 1:**

If number of students	Annual registration to	% of amount which will be given
-----------------------	-------------------------------	---------------------------------

Hindustan Computers,

Sandesh CINEMAX Road, City- Malegaon, Dist. - Nasik, Pin 423203.
