

Your **One-Stop-Shop**, helping you.....

- ❖ Transform paper documents stored in filing cabinets, boxes or piled up on desks, to managing, searching for and **retrieve immediately** any file or document you have permissions to, securely on-line, on your PC, laptop, Smart Phone or iPad.

- ❖ With everything, from document collection, **Document Scanning** - letters, general office documents, plans and drawings, incorporating all sizes from A5 to A0.
- ❖ Save space by storing your original paper files off-site in our **securely manned UK file centres / warehouses**.
- ❖ Manage search and share documents with **eDocsQM Suite™ Electronic Document Manager** (EDM) fully compliant with FCA (Financial Conduct Authority) full traceability, version control and audit trail on-line software.
- ❖ Work the way you want to with **MS Office Add-Ins** software integration.
- ❖ Speed up manual processes with **Automated Workflows, Approvals and Electronic Signature** in alignment with AML, Best Practice Policy, Procedures and Breaches. End of retention period, secure **Document Destruction**
- ❖ **To-Do List** and **Notifications** so important things are not forgotten.
- ❖ For **eDocsQM Suite™** Electronic Document Manager and other **Quality Management** Modules we can provide an on-line demo (GOTO Meeting) or arrange a free, no obligations on-site visit. [Click here for more information](#)
- ❖ For our **Go Paperless!** Service "Try before you buy" so you can test drive the service without any commitment.
