From Broking to Consulting

RSquare is India's exclusive application for real estate brokers and consultants that has revolutionised the way real estate brokers conduct business. RSquare app, available with a whole suite of web applications, is focused on transforming your broking business into a full-fledged consultancy. Brokers can now avail of technology tools to handle CRM, Business Updates, Networking, and more that improve their ability to conduct business and complete transactions on the go!

With RSquare branding beside you, you no longer have to perform the regular tasks of a broker. Together with our sophisticated business software and mobile application, we empower you to become a real estate consultant. Not just house keys, you will now have expertise, understanding, and insights to offer. Manage your properties, projects, enquiries, and site-visits effectively, respond to customers in real time, access your data on the go with RSquare mobile app, market your properties and build a strong brand on the internet through RSquare website.
