

An invitation to join in **DIGITIZING** the Catholic Church

Powerful web solution for Parishes and Dioceses
Built with you in mind

- ✓ Combine families & members, stay in touch with them
- ✓ Throw light upon social and economical development
- ✓ Track councils, commissions and pious associations

- ✓ Maintain Sacrament Registers and map intelligently
- ✓ Understand your data through powerful reports
- ✓ Print certificates hassle free

- ✓ Recognize parishioners on their special occasions
- ✓ Plan and organize liturgical events globally
- ✓ Track subscription, offering and donation with SMS

- ✓ Global view of your church at the national level
- ✓ Synchronize registers and families with your diocese
- ✓ Yearly reports are not tedious any more

#We also undertake computerizing the sacrament and family registers collected from your parish as a singular project.
