

Introducing: EPIC

Employee Perceived Image of the Company®

You can improve your workplace climate, have more engaged and productive employees and a happier corporate culture.

EPIC™, is our cloud-based engagement software that's **fun and easy to use** and lets you, in real-time:

- Measure your staff's happiness.
- Measure how they perceive the climate in your organization.
- Improve your personnel's Engagement level.
- Uncover high impact areas for improvement.
- Reveal hidden problems inside your organization.
- Easily identify your most highly perceived team members.
- Reveal any toxic employees within your team.
- Reduce turnover.
- Develop a clear roadmap with a solid foundation.
- Radically improve your company's culture.

Engaged Team members

<p>Recommend your company to their friends</p> 	<p>Productive and accomplish more each day</p> 
<p>Passionate to achieve their goals</p> 	<p>Satisfied with their personal and work lives</p> 

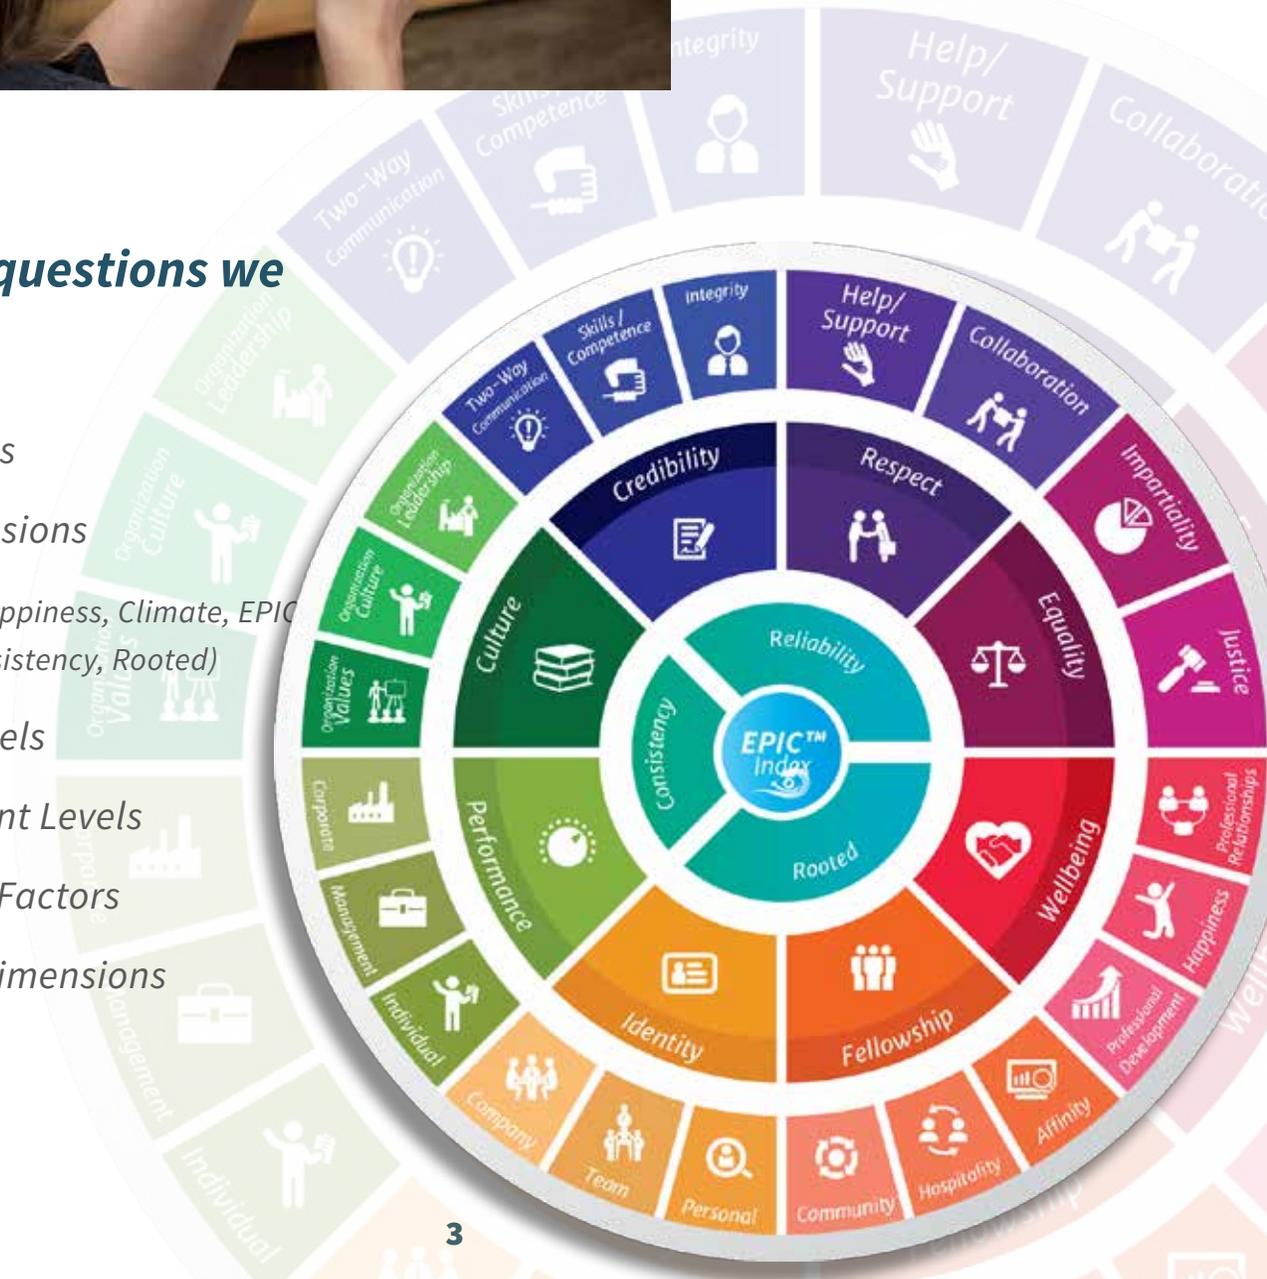

How does EPIC™ work?

- Each week everyone gets an email with a link to answer 7 short questions.
- These questions are personalized, different every week and are answered anonymously.
- The whole process takes between 2 and 5 minutes.

With these questions we measure:

- 8 dimensions
- 22 subdimensions
- 6 indexes (Happiness, Climate, EPIC Reliability, Consistency, Rooted)
- 3 Impact Levels
- 6 Engagement Levels
- 15 Essential Factors
- 7 Personal Dimensions
