Wayinfotech Solutions

<http://www.wayinfotechsoftware.com/>

We are a paramount organization engaged in manufacturing and supplying **Bar Code Products, Bar Code Printers** and **Bar Code Scanners**. Additionally, we render excellent **Software Development Services**.

About Us

We, **Wayinfotech Solutions**, established in the year **2003**, are one of the leading **manufacturers, wholesalers, traders and retailers** of a wide range of the optimum quality Barcode Printers and Allied Products. The product range offered by us is inclusive **Barcode Printers, Barcode Scanners and Barcode Products**. Owing to their rugged construction, high performance and low maintenance, these barcode printers and allied products are highly demanded in the market. These bar codes are used in malls and shops for reading the bar codes of different products. Offered by us at industry leading prices, these barcode printers and allied products are highly appreciated among our customers. In addition to this, we are engaged in offering Printing and Web Services to our valuable customers. Offered by us at cost effective prices, these services are known for their timely execution.

Since the inception of our company, we have been supported by a state-of-the-art infrastructure and a team of skilled professionals. Boasting on very a congenial working environment, we work to attain maximum customer satisfaction and approval. These bar coding products are manufactured from quality assured materials that are sourced from trusted vendors of the industry. By using advanced tools and machinery, we have been able to manufacture the offered range of bar coding products in compliance with the industry set norms.

Mr. Amrit Raj is the owner of our company and he has helped us in attaining the trust and confidence of our customers in the most efficient manner. With the aid of his innovative business ideas and excellent management skills, we have been able to cater to a huge clientele across the nation.
