

Smart Institute

**A powerful tool steering your growing
Institute Business**

Smart Institute is a unique solution for Educational Training Centers or Institutes. It has following core features:

- Online Examinations
- Fee Management
- Student Management
- Staff Management
- Expense Management
- Online Study Materials
- All over the Globe Access
- SMS/ E-Mail alerts
- Reports
- Dashboard

Main Benefits

- ❖ No Headache to enter Student's Detail into your software, Student can register themselves into your Software
- ❖ You can make packages for Test Series and Get paid through Online Payment from your students per month and Software cost is one time only.
- ❖ You can put some promo videos and study materials of your special classes to your students for popularity of your institute and in future you can charge for your classes video and notes.
- ❖ You can manage your fee collection and can get report monthly wise as well as know about per month income from your institute
- ❖ Your students will get SMS alert for upcoming govt. vacancies/ exams, Holiday, Batch Time Adjustment, Late Fee & many more...

Online Examination

- Add Exam packages and Get Paid through Students (like: Silver/Gold/Diamond)
- Online payment for examinations.
- Online Exam Management

-
- Create Exam
 - Add Questions
 - Manage Question banks

Fee Management

Create Fee Structure for your Institute

Manage

- ❖ Student data
- ❖ Student fee
- ❖ Students Unpaid fee data
- ❖ Schedule for submitting fee
- ❖ Auto alert them before due date

Create fee schedule, reminders.

Print Students data

- ❖ Paid student
- ❖ Unpaid student

Generate invoice

Collect monthly batch wise report

Track your Business.

Student Management

Add new student,

Let student register themselves,

Approve, registered student to allow them to login

Batch Management

- ❖ Create batches
- ❖ Create timings
- ❖ Add Student to different batches
 - Auto inform them via SMS

Manage Students

- ❖ Edit their details
- ❖ Update status > Suspend/Active

Staff Management

Add Staff Details

Allot

- ❖ Department
- ❖ Branch
- ❖ Task

Manage

- ❖ Create schedule
- ❖ Inform them via SMS/Email
- ❖ Let them upload study material

(.doc/.pdf/.excel/.jpg/.jpeg/.png format)

Expense Management

Create Expanse Structure

- ❖ Rent
- ❖ Electricity
- ❖ Salaries
- ❖ Stationeries
- ❖ Taxes

Overview of Stats

- ❖ Compare incomes
- ❖ Compare expenditure
- ❖ Compare facilities

Online Study Materials

Create Subjects

Upload Documents

Scan and upload document of all formats

- ❖ .doc/.xls/.pdf/.jpg/.png/.gif

Keep your Document organized subject wise

Keep your document offline/online

- ❖ Allow user to download
- ❖ Or Just save them on server

SMS/ E-Mail Alert

Don't let your re-schedule ruin student's time & classes

Inform them about

- ❖ Classes
- ❖ Timings
- ❖ Teachers
- ❖ Tests/Exams
- ❖ Fee Due date
- ❖ Or any other update

Choose inform option from SMS/ E-Mail

All Over the Globe Access

Make your Institute online

Staff can update their student from anywhere

Can upload documents from anywhere

Can create exams from home,

Student can give online test from anywhere

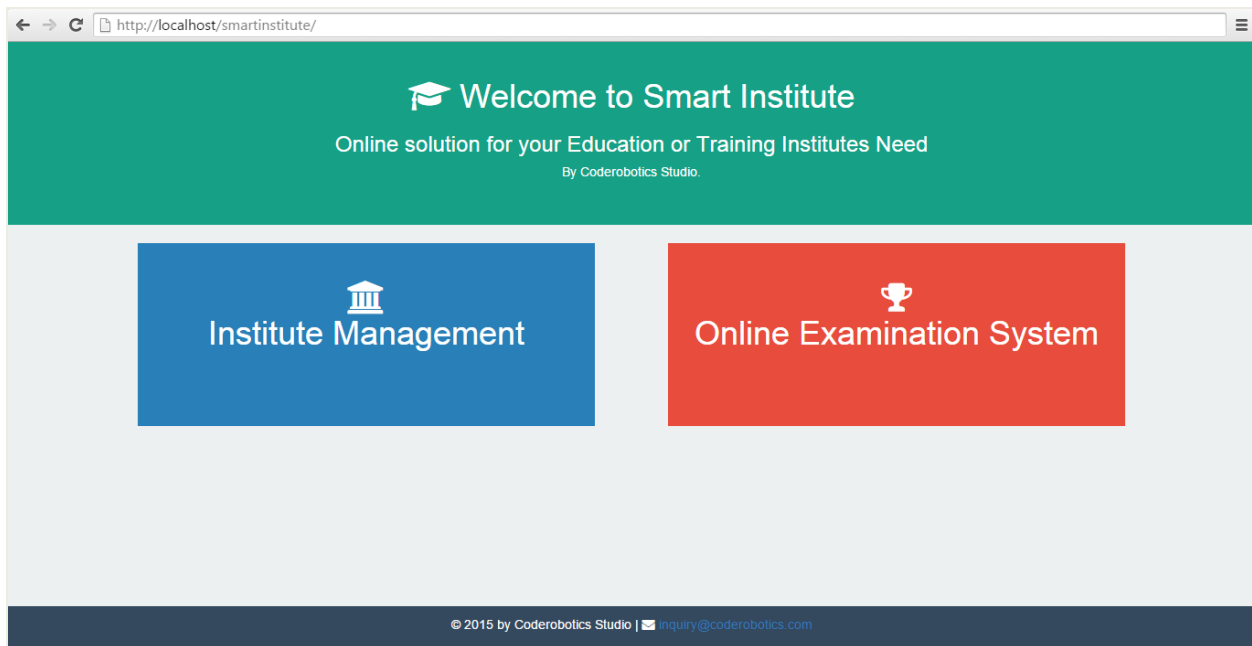

Admin can tract their Institute's data like

- ❖ Performance

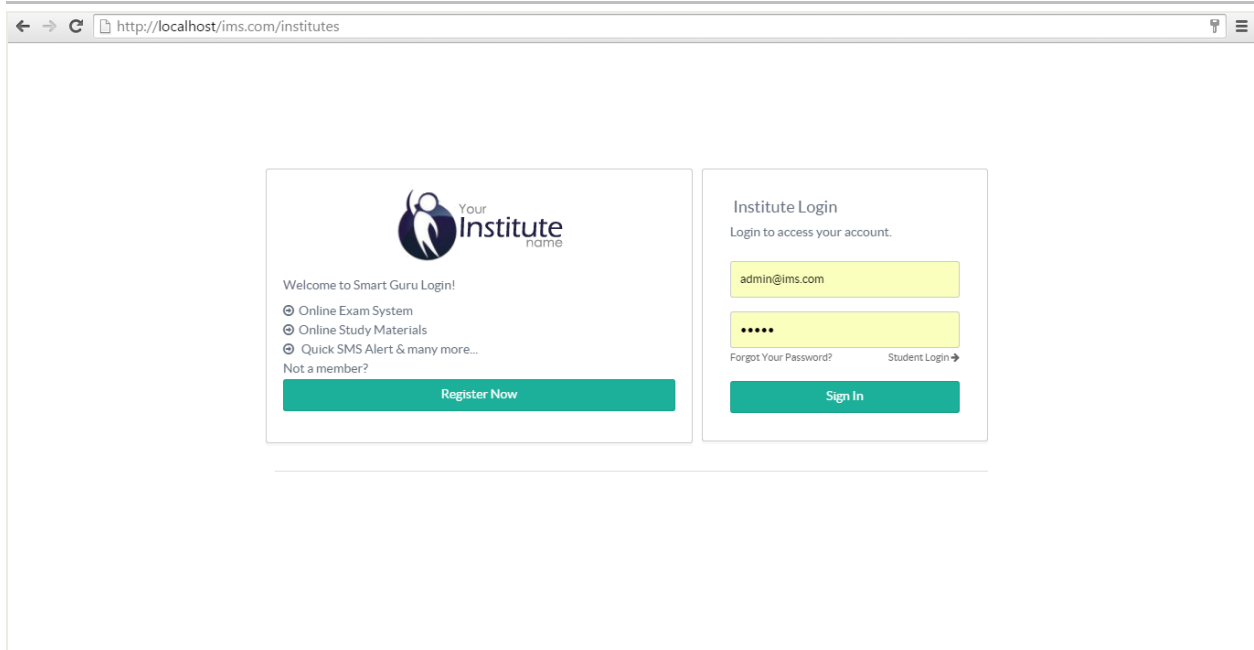

- ❖ Report
- ❖ Profit/loss
- ❖ New student registration

Smart Institute has two core modules:

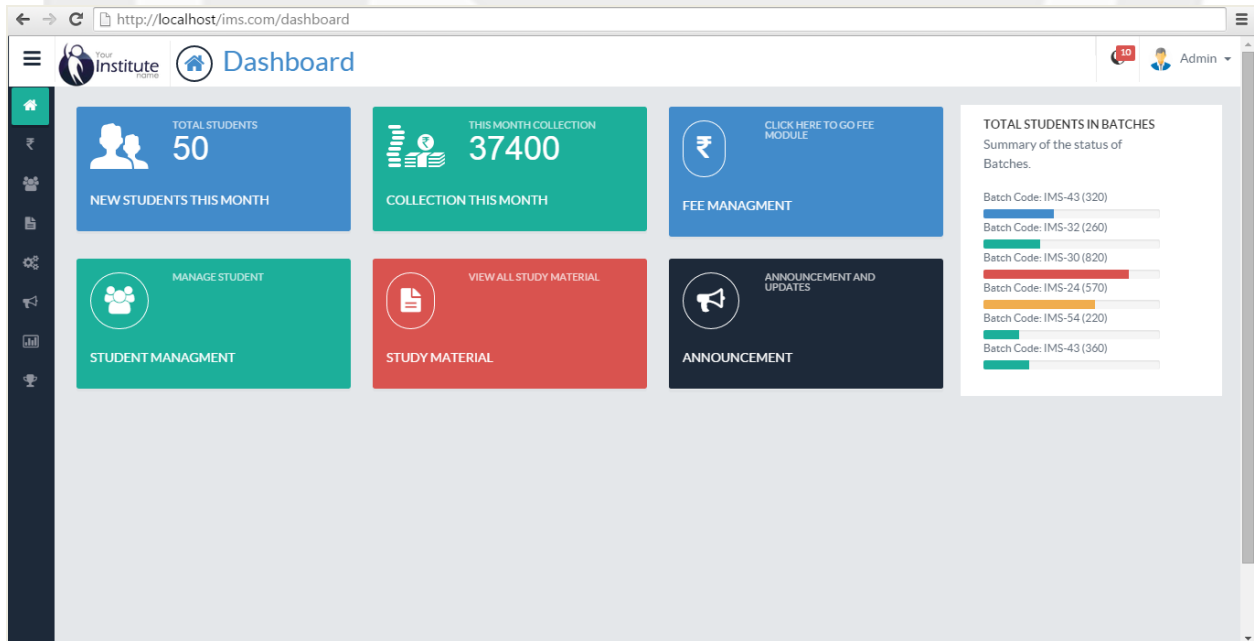

1. Institute Management
2. Online Examination System

INSTITUTE MANAGEMENT - ADMIN LOGIN

DASHBOARD

The dashboard page features a navigation menu on the left with the following items: Dashboard, Fee Management, Student Management, Study Material, Manage Institute, Announcement, Reporting, and Online Exam. The main content area contains six summary cards: 'TOTAL STUDENTS' (50), 'NEW STUDENTS THIS MONTH', 'THIS MONTH COLLECTION' (37400), 'COLLECTION THIS MONTH', 'FEE MANAGEMENT', 'MANAGE STUDENT', 'STUDENT MANAGEMENT', 'VIEW ALL STUDY MATERIAL', 'STUDY MATERIAL', 'ANNOUNCEMENT AND UPDATES', and 'ANNOUNCEMENT'. A notification box at the bottom right states 'TOTAL STUDENTS IN BATCHES Summary of the status of Batches.'

FEE MANAGEMENT

The Fee Management page displays a 'STUDENT LIST' section with the instruction 'This section manage student fee and their invoice.' It includes a search bar and a 'Show 10 entries' dropdown. The table below lists student details and their fee status.

The screenshot shows the 'Update Question' page. The browser address bar displays `http://localhost/exam/institutes/questions/edit/?id=78`. The page header includes the 'Smart Institute' logo and the title 'Questions', with a dropdown menu for 'Delhi School of Business'. A vertical sidebar on the left contains navigation icons. The main content area is titled 'Update Question' and features a form for editing a question. The 'Subject' dropdown is set to 'PHP'. The 'Question' field contains a rich text editor with a toolbar and the text 'Sample Questions goes here...'. Below the question field are four input boxes for 'Option1', 'Option2', 'Option3', and 'Option4', with 'Option1' containing 'OptionsA'. A 'Words: 4' counter is visible. To the right, a 'Showing Images for questions' panel displays an 'Upload New image' button and an 'Upload' button. An image of a mathematical formula is shown in the panel:

$$\frac{1}{x} = \frac{2\sqrt{2}}{9801} \sum_{k=0}^{\infty} \frac{(4k)(1103+26390k)}{(k!)^4 396^{4k}}$$

The screenshot shows the 'Question Bank Management' page. The browser address bar displays `http://localhost/exam/institutes/questions`. The page header includes the 'Smart Institute' logo and the title 'Question Bank Management', with a dropdown menu for 'Delhi School of Business'. A vertical sidebar on the left contains navigation icons. The main content area features three large buttons: 'Add Question' (dark blue with a white plus sign), 'View Question' (dark blue with a white magnifying glass icon), and 'Import / Export' (green with a white cloud icon). Below the 'Import / Export' button, the text 'Export/Import Questions via csv file' is displayed.
