## DASHBOARD

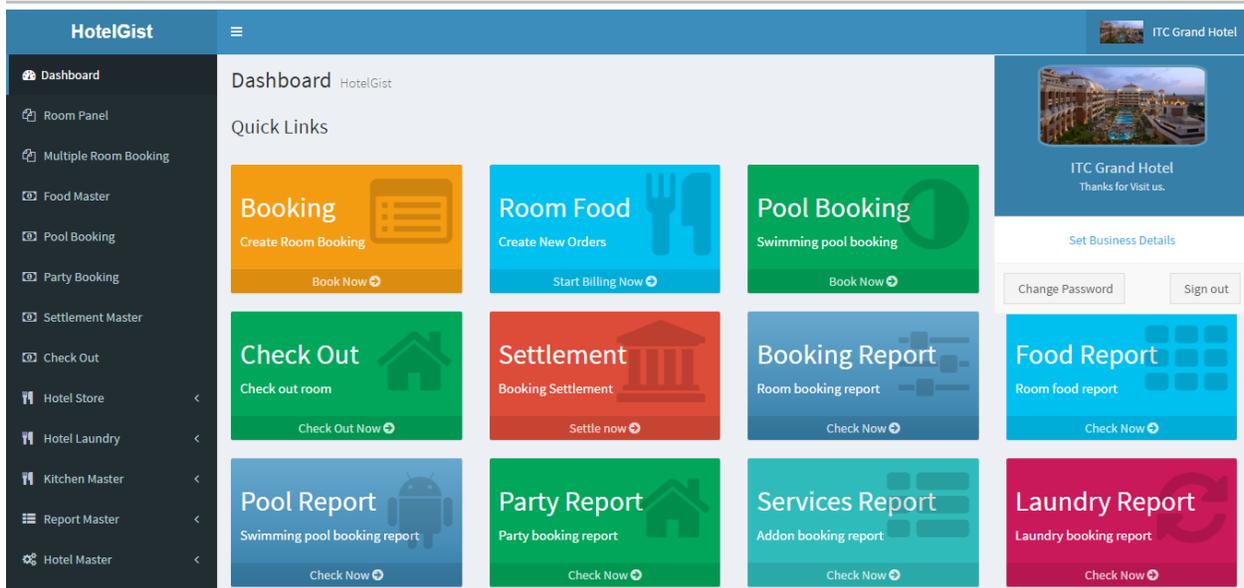

The screenshot shows a dashboard with a dark sidebar on the left containing menu items: Settlement Master, Check Out, Hotel Store, Hotel Laundry, Kitchen Master, Report Master, Hotel Master, Reprint Master, and Sign Out. The main area features eight colorful tiles: Check Out (green), Settlement (red), Booking Report (blue), Food Report (cyan), Pool Report (blue), Party Report (green), Services Report (teal), and Laundry Report (magenta). Each tile includes a title, a subtitle, and a 'Check Now' button with a right-pointing arrow. Below the tiles are sections for 'Running Rooms' and 'Upcoming Bookings', each with a search bar and a table placeholder. At the bottom, there is a copyright notice: 'Copyright © 2016 Coderobotics Studio. All rights reserved.' and the version number 'Version 3.0'.

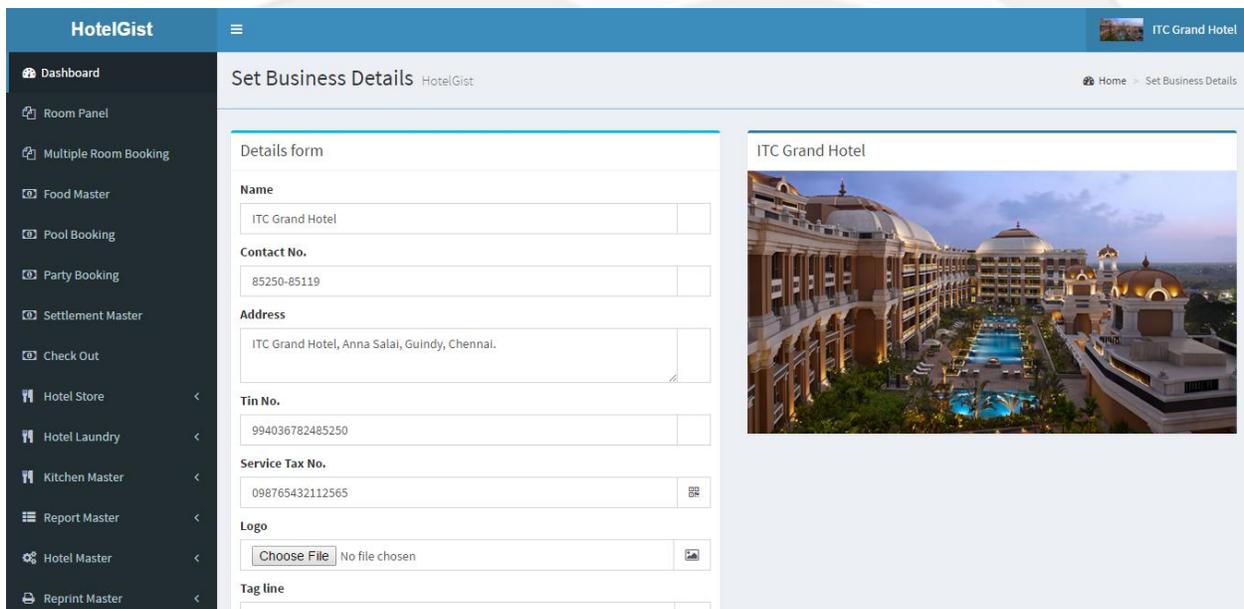

This screenshot shows a dashboard for 'Hotel ITC Grand Hotel'. The top navigation bar includes 'Hotel' and a hamburger menu icon. The main content area is titled 'Dashboard HotelGist' and includes a breadcrumb 'Home > Dashboard'. A 'Quick Links' section is followed by a grid of eight tiles: Booking (orange), Room Food (cyan), Pool Booking (green), Party Booking (blue), Check Out (green), Settlement (red), Booking Report (blue), Food Report (cyan), Pool Report (blue), Party Report (green), Services Report (teal), and Laundry Report (magenta). Each tile has a title, subtitle, and 'Book Now' or 'Check Now' button with an arrow. The sidebar on the left contains icons for various functions.

## SET BUSINESS DETAILS

Admin can able to change business details of hotel here when u click set business details.

The dashboard features a left sidebar with navigation options: Dashboard, Room Panel, Multiple Room Booking, Food Master, Pool Booking, Party Booking, Settlement Master, Check Out, Hotel Store, Hotel Laundry, Kitchen Master, Report Master, and Hotel Master. The main content area is titled 'Dashboard HotelGist' and includes a 'Quick Links' section with 12 colorful tiles for Booking, Room Food, Pool Booking, Check Out, Settlement, Booking Report, Pool Report, Party Report, Services Report, Food Report, and Laundry Report. Each tile has a 'Check Now' or 'Book Now' button. On the right, there is a 'Set Business Details' section with a 'Change Password' and 'Sign out' button, and a 'Thanks for Visit us' message from ITC Grand Hotel.

The 'Set Business Details' page shows a form for 'ITC Grand Hotel' with the following fields: Name (ITC Grand Hotel), Contact No. (85250-85119), Address (ITC Grand Hotel, Anna Salai, Guindy, Chennai), Tin No. (994036782485250), and Service Tax No. (098765432112565). There is a 'Logo' field with a 'Choose File' button and a 'Tag line' field. A large image of the ITC Grand Hotel is displayed on the right side of the page.

## BOOKING MASTER

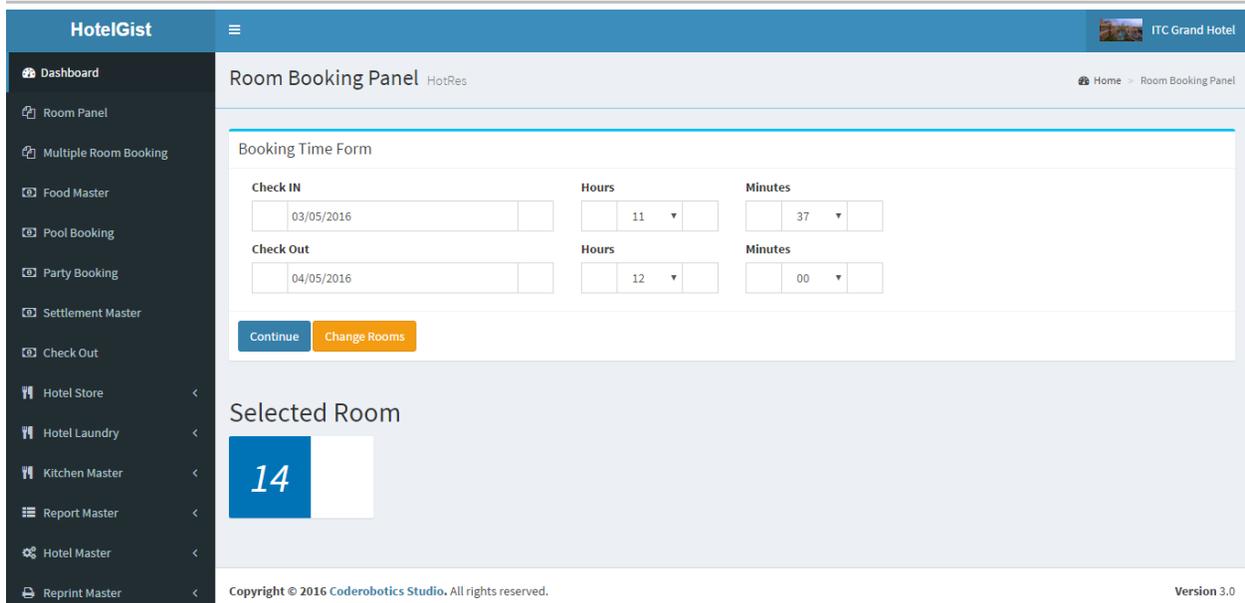

First check room availability from the booking panel below. As check in below room no 7 status is available.

The screenshot shows the HotelGist dashboard for ITC Grand Hotel. The left sidebar contains navigation options: Dashboard, Room Panel, Multiple Room Booking, Food Master, Pool Booking, Party Booking, Settlement Master, Check Out, Hotel Store, Hotel Laundry, Kitchen Master, Report Master, Hotel Master, and Reprint Master. The main content area is divided into two sections: 'AC23' and 'Luxe - Delux'. The 'AC23' section displays seven room cards with numbers 14, 15, 16, 17, 18, 19, and 7657. Each card has a 'Summary' tab and a 'C In' tab. The 'Luxe - Delux' section displays three room cards with numbers 12, 500, and 987, also with 'Summary' and 'C In' tabs. At the bottom right, there is a dropdown menu for 'All Category' and a refresh button. The footer contains the copyright notice 'Copyright © 2016 Coderobotics Studio. All rights reserved.' and 'Version 3.0'.

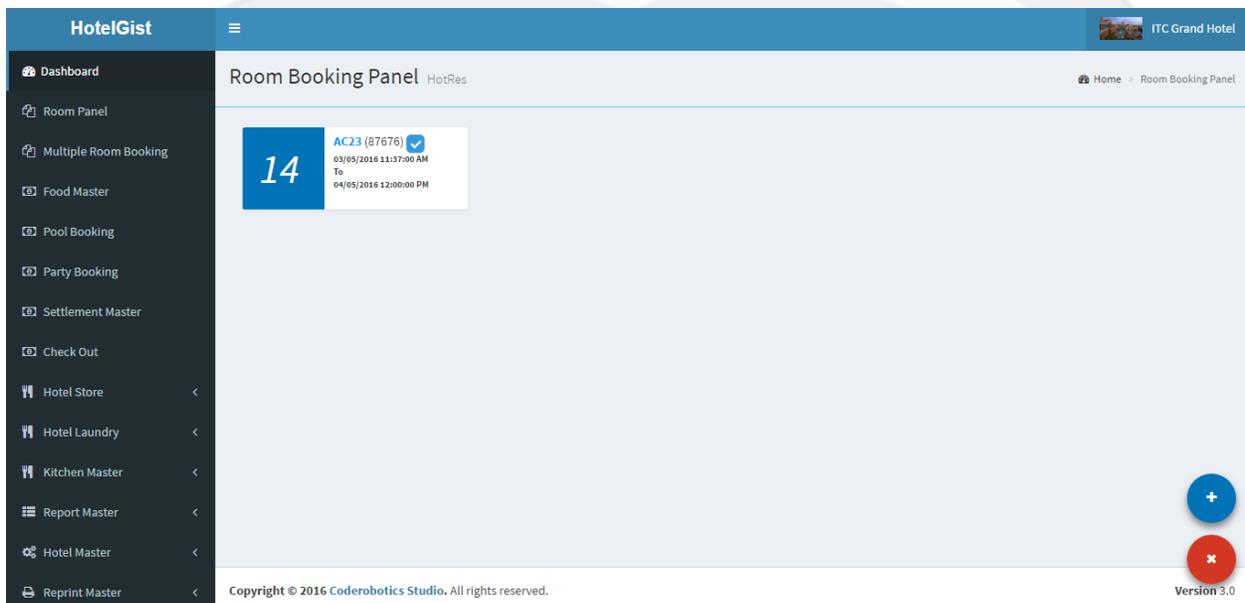

Just click check in tab to book the room.

This screenshot is identical to the previous one, but with a red highlight around the 'Check IN' tab on the room card for room number 14. The text 'Check IN y' is visible on the tab. The footer contains the same copyright notice and version information.

After selected room no provide further booking details like check in, checkout etc.

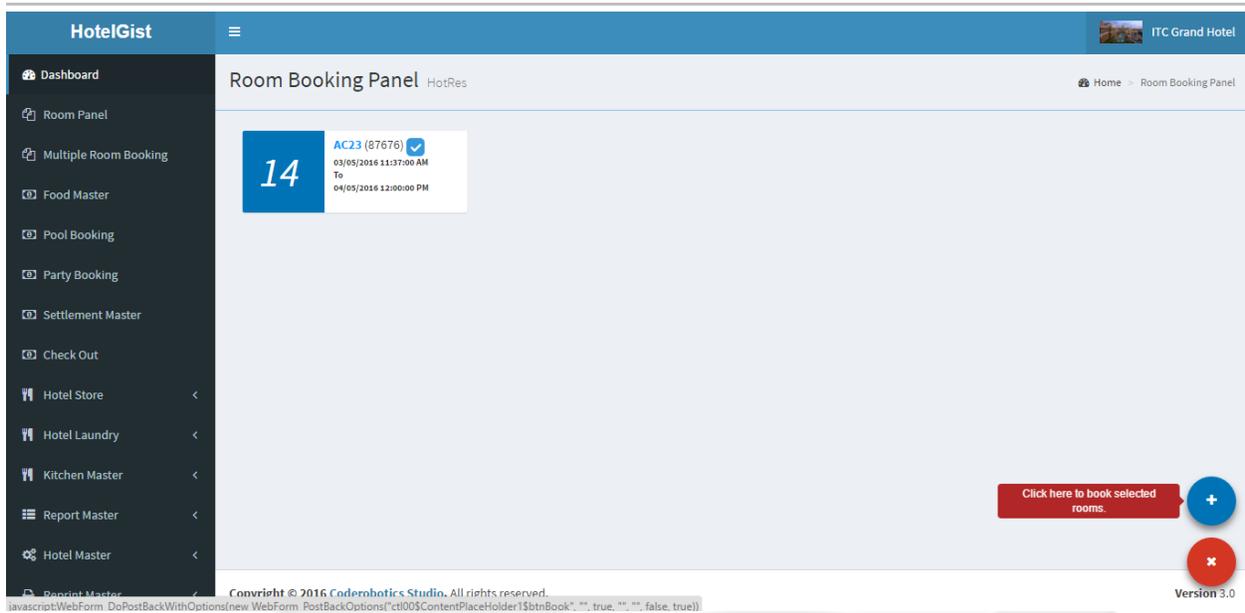

The screenshot shows the HotelGist interface for the Room Booking Panel. The left sidebar contains a navigation menu with options like Dashboard, Room Panel, Multiple Room Booking, Food Master, Pool Booking, Party Booking, Settlement Master, Check Out, Hotel Store, Hotel Laundry, Kitchen Master, Report Master, Hotel Master, and Reprint Master. The main content area is titled "Room Booking Panel" and includes a "Booking Time Form" with fields for Check IN (03/05/2016), Check Out (04/05/2016), Hours (11 and 12), and Minutes (37 and 00). Below the form are "Continue" and "Change Rooms" buttons. A "Selected Room" section displays a blue box with the number "14". The footer contains "Copyright © 2016 Coderobotics Studio. All rights reserved." and "Version 3.0".

This screenshot shows the HotelGist interface after a room has been selected. The "Selected Room" section now displays a blue box with the number "14" and a white box with booking details: "AC23 (87676)", "03/05/2016 11:37:00 AM", and "To 04/05/2016 12:00:00 PM". In the bottom right corner, there are two circular buttons: a blue one with a plus sign (+) and a red one with a minus sign (-). The footer remains the same as in the previous screenshot.

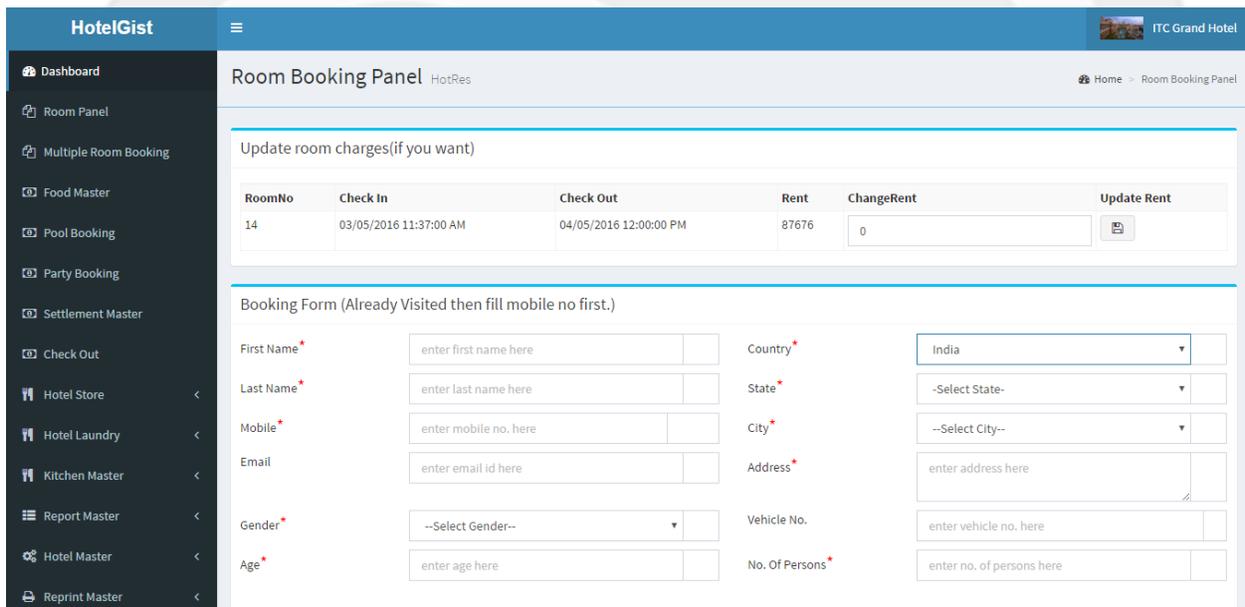

## ROOM BOOKING PANEL

If you click 'blue' plus button, you can book the selected item and 'red' plus button for cancel the booking.

The screenshot shows the HotelGist interface with the 'Room Booking Panel' active. A room card for room number 14 is highlighted, showing details: AC23 (87676), check-in on 03/05/2016 at 11:37:00 AM, and check-out on 04/05/2016 at 12:00:00 PM. A blue plus (+) button is visible next to the room card, and a red button labeled 'Click here to book selected rooms.' is also present. The sidebar on the left contains various management options like Dashboard, Room Panel, Multiple Room Booking, etc. The footer shows 'Version 3.0' and a copyright notice for Coderoobotics Studio.

Now, I am selecting room no.14 and making book (click 'blue' plus (+) button) as below screenshot.

The screenshot shows the HotelGist interface with the 'Room Booking Panel' active. The room card for room number 14 is selected, and the 'Update room charges(if you want)' table is visible. Below the table is the 'Booking Form (Already Visited then fill mobile no first.)' which contains various input fields for customer details.
