

XaTTaX - A simplified solution that helps you file GST returns anywhere, anytime!

Why XaTTaX?

Sailotech has launched a GST filing and reconciliation solution – XaTTaX that simplifies the filing of returns, claiming refunds, raising invoices and much more - anywhere, anytime. Apart from that, it offers a multi-layered security mechanism, which implies that whatever transactions you process are 100% secure and confidential.

XaTTaX offers support for the following Functional Features

- ❖ Multiple GSTIN Management
- ❖ Input Level Integration
- ❖ Cash & Credit Utilization Planning
- ❖ Unmatched Transactions
- ❖ Tax Payments
- ❖ Returns & Refunds
- ❖ Legal Validation

How is it different from other GST solutions in the market?

<p> <u>Safe</u> Control what gets submitted to the government</p> <p> <u>Easy</u> Easy to use and configure</p> <p> <u>CA Dashboard & Reporting</u> Where CAs can manage and access their respective client's GST data</p> <p> <u>24/7 support</u> Availability of support team to address all customer queries</p> <p> <u>GST ready invoice</u> Access GST ready invoice templates, customized as per your specific business requirements</p> <p> <u>Advanced Analytics</u> An intuitive dashboard facilitating easy workflow management, resulting in quick decision making.</p>	<p> <u>No price surge</u> No increase in product prices later</p> <p> <u>Access on multiple devices</u> Desktop, mobile or any browser</p> <p> <u>Unmatched Compliance</u> Product complies with Indian government regulations completely</p> <p> <u>Reconciliation</u> Advanced technology for reconciliation, making you more productive.</p> <p> <u>Simplified Filing Process</u> Simplifies filing process from your accounting platform or ERP to GSTN.</p> <p> <u>Compatibility with multiple ERP platforms</u> Integrates with any ERP platform such as Oracle, SAP, BaaN, Infor, Microsoft, Tally or even custom solutions.</p>
