About Avalara

Avalara, Inc., is a leading provider of cloud-based tax automation for businesses of all sizes. We help businesses achieve transactional tax compliance for sales and use, excise, communications, VAT, and other tax types. Avalara's comprehensive, cloud-based solutions are fast, accurate, and easy to use with more than 650 pre-built connectors into leading accounting, ERP, ecommerce, and other business applications. Our Compliance Cloud™ platform helps customers manage complicated and burdensome tax compliance obligations imposed by state, local, and other taxing authorities throughout the world. Each year, Avalara processes billions of indirect tax transactions for customers and users, files millions of tax compliance documents and tax returns, and manages millions of exemption certificates and other compliance related documents.
