Ivalua Solution Suite

Start your journey at any point in the process and get up and running quickly. All solutions work seamlessly with your ERP system(s) and with our AddOn Store you can have best practices for your unique profile “out-of-the-box” or easily configured to meet unique or evolving needs.

Supplier Management

All your supplier information, risk and performance in one place.

Suppliers are the key to it all. Collaborate with them to get accurate information, assess risk and improve performance while informing all procurement activities.

- ✓ 360-degree view of suppliers
- ✓ Supplier risk assessment and action
- ✓ Single source of truth

Sourcing

A simple, collaborative and powerful solution to meet any sourcing needs.

From spot bids to complex sourcing projects involving direct materials, customers achieve results fast.

- ✓ Fast time to value
- ✓ Direct, indirect and services sourcing
- ✓ Easy collaboration before, during and after

Contract Management

Lock in the value, manage all your contract processes in one place.

Manage the full lifecycle of your contracts in close collaboration with stakeholders. Ensure contract data is informing all procurement activities.

- ✓ Single, searchable contract repository
- ✓ Speed up the contracting with simple UI and MS Word integration
- ✓ Work smarter, directly link sourcing outcomes to contracts

Procurement

Modern digital experience meets enterprise control.

Digital procurement to empower your employees and suppliers. Simplify the buying experience, achieve high adoption and manage all spend.

- ✓ Modern, simple digital experience
- ✓ Powerful configurability and flexible workflow
- ✓ Workstreams for all spend categories

Invoicing

Electronic and efficient all the way.

Digitize your AP process and enable suppliers with electronic invoicing, while ensuring compliant, efficient and flexible processes.

- ✓ Digitize all invoices from day one
- ✓ Faster and touchless processing
- ✓ High employee and supplier adoption

Strategy & Analytics

A view into all your projects and all your spend data, like never before.

One platform and one data repository makes analytics a breeze. Tracking your savings and managing all procurement projects with all stakeholders makes you a star.

- ✓ Powerful spend analysis with classifications whenever you want
- ✓ Holistic program management
- ✓ Deep analytics and an eye on performance
