EDUMAAT

POWERFUL TAILOR MADE
REPORTING
&
DASHBOARD

EDUMAAT generates various sorts of reports for parents, students, staff, CEO, etc. depending upon their specified role.

For Eg:

A Fee Collector can see the entire report of paid, unpaid student list, total received / receivable amount which cannot be viewed by other departments same-way

A librarian can see the list of available books, issued books, penalty collected, etc. which cannot be viewed other than him / her.

EDUMAAT also provides tailor made reports by taking the required data for analysis and provides the report with custom dashboards where the report can also be exported in the required formats like PDF, Excel, CSV, XML.
