GLOBAL TALENT SHORTAGE OF SKILLED
WORKERS BY 2030

85.2M

– KORN FERRY, GLOBAL TALENT CRUNCH

“One in three of the
largest construction
companies is having to
turn down work on big
projects due to shortage
of skilled labour.”

– MARK CAHILL, MANAGING DIRECTOR, MANPOWER GROUP UK

Certif-ID brings you a blockchain-powered networking platform to bridge training beyond the classroom into professional environments.

Bridging the Gap

Connecting institutes, experts and recruiters

Raising standards of education and creating equal job opportunities for technical experts around the globe.

Enabling automated and efficient student registration and certification process. Built on blockchain technology, Certif-ID provides **SECURE TRACKING**, **AUTHENTICATION** and **INSTANT PROOF**.

Certif-ID, a blockchain- powered global network

Bringing **TRUST AND TRANSPARENCY** through its immutable and incorruptible system, facilitating the members on the network to securely collaborate, support and create opportunities for each other.

Transforms ways of working. Certif-ID's **PROCESS AUTOMATION AND COMPETENCY-BASED RECRUITMENT** system increases the efficiency and visibility of qualified expert profiles in global search results.

Institutes

CAN IMPROVE AND STANDARDISE
THE QUALITY OF TRAINING FOR
TECHNICAL PROFESSIONALS AND
MANAGE THEIR ENTIRE LEARNING
AND CERTIFICATION JOURNEY.

Digitalize course management.

Process with blockchain certification.

Marketing profile creation with lead
generation and targeted digital marketing.

Increase placement opportunities for
qualified students.

Establish a graduate network and connect
with industry partners.

Experts

CAN CONNECT WITH VERIFIED
INSTITUTES TO UPGRADE THEIR
SKILLS, CREATE PROFILES, SHOWCASE
COMPETENCIES, SHARE CREDENTIALS
AND FIND NEW JOB OFFERS.

One secure place to host all your
qualifications and certifications.

Pursue courses from internationally verified
institutes.

Upskill and create a career plan.

Gain a blockchain-powered digital
certificate.

Showcase your skills and get directly linked
to recruiters.

Recruiters

CAN SEARCH FOR TECHNICAL EXPERTS BASED ON THEIR COMPETENCIES AND VERIFY CREDENTIALS WITH A SINGLE CLICK USING CERTIF-ID BLOCKCHAIN VERIFICATION.

Easy candidate screening.

One-click verification process.

Optimised recruiting process.

Competency-based search for experts.

Find training programs to upskill or reskill your teams.

Old World vs New World

PAPER CERTIFICATE

**BLOCKCHAIN VERIFIED
DIGITAL CERTIFICATE**

Certificate Wallet

Our blockchain-anchored network will offer a new way for the global development of the education and training industry. Replacing traditional methods with new approaches, Certif-ID is addressing new dynamics of learning, vocational education and recruiting.

A DIGITAL REPOSITORY

Provide graduates with a digital portfolio to showcase skills.

ISSUE DIGITAL CERTIFICATES

Powered by blockchain technology.

A preferred destination for technical training institutions to support students in getting jobs and mapping their future careers.

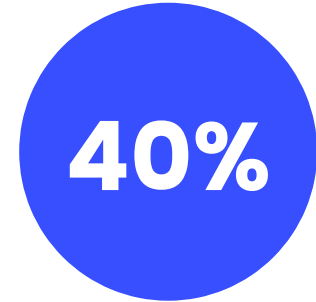

CASE STUDY

Online Presence on a
global platform

Digital certificates
issued for over 30
popular courses

Reduction in time to
enrol & connect with
students

TÜV RHEINLAND AKADEMIE GMBH

New revenue channel:
Certificates as an
'add-on' service

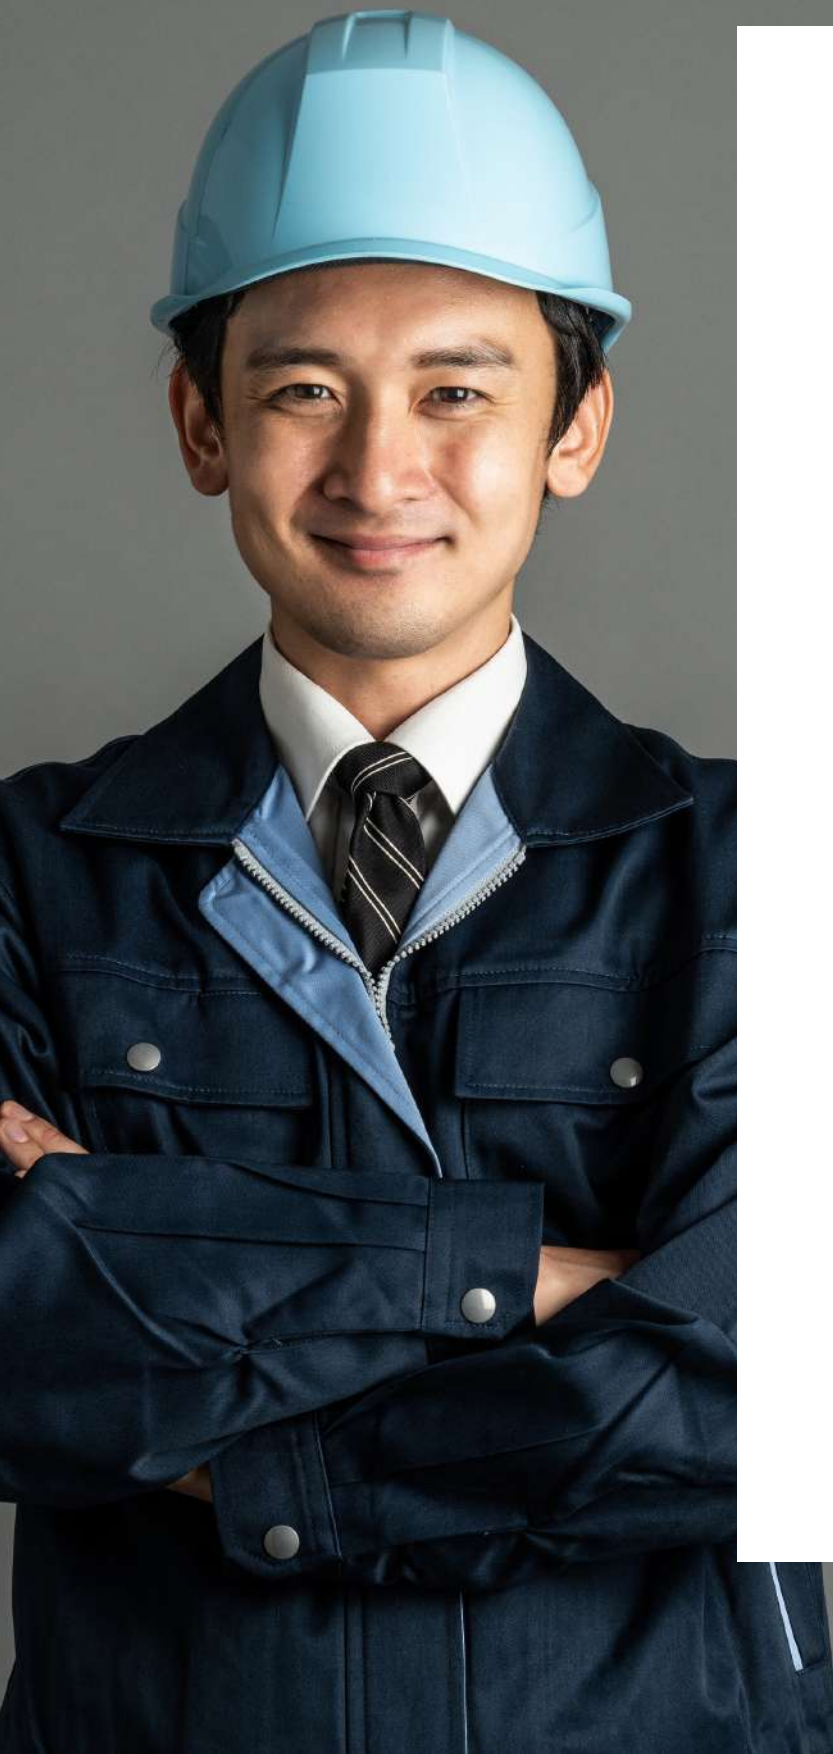

Cost reduction by
reducing printing and
postage of certificates

We were looking for a new solution to support us in optimising our certification process and enable us to issue digital certificates using blockchain technology. Certif-ID provided us with a simple and effective solution that helps us with both. We are seeing excellent optimisation effects and are receiving great responses from our customers.

ANDREAS OLLHOF, MANAGING DIRECTOR
TÜV RHEINLAND AKADEMIE GMBH

Transforming

TALENT TO VERIFIABLE SKILLS

Leverage emerging technologies, prioritise student success and build credibility worldwide.

ACCREDITED COURSES

Globally recognised certifications allow experts to explore work opportunities anywhere in the world.

SMART RECRUITMENT

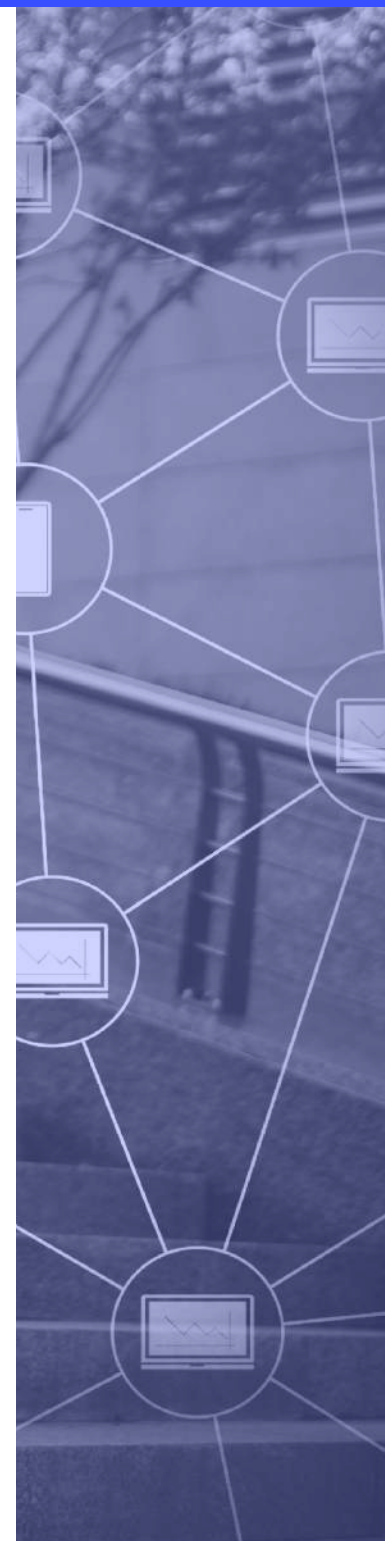

Single-click verification to reduce hiring efforts and source qualified candidates.

A one-stop destination for individuals, training institutions and employers to raise standards of education, upskill and reskill the workforce, issue blockchain certificates and begin a journey towards new opportunities.
