COACHING CLASS MANAGEMENT
& ONLINE LEARNING SYSTEM

About Smart Classes

Smart Classes is a SaaS based easy, effective, affordable & user friendly online coaching class management & learning system with mobile app. Smart Class is the oldest Indian tuition management system in the world and has been running since 2013. Smart Classes Software helps Institutes to manage their daily activity very easily & It also helps coaching classes to provide quality digital services to students & parents in this digital education world.

Smart Classes Software/App is a complete ERP system & can be used by any type of coaching classes or training center. Smart classes can easily save 80% of coaching classes time from their daily manual work. Smart Classes also help to create brand for your coaching classes and that leads to them getting more students for their classes.
