" factoHR is an excellent platform for managing end to end HR processes . It has helped us to focus on our core area. It also gives very important analytics and advance mobile app for the employee "

BSE
EXPERIENCE THE NEW

" factoHR is the first HR system we have adopted, for us one of the major time taking task was payroll of our 270 employees. factoHR enabled us to collate all the data coming in from multiple streams and organize it at a single place. Earlier, the tasks which used to take 5-6 days is now achieved in 2-3 hours. "
